Can I set a required ship date in SalesPad Cloud?

Megan De Freitas - 2024-12-02 - FAQ

Yes! Required Ship Date is an editable field on every SalesPad Cloud sales document.

The screenshot displays a SalesPad Cloud sales document interface. At the top, the document number 'ORD0000000004' is shown, along with a status bar indicating '66%' completion, a value of '\$13.28', and buttons for 'Void', 'Transfer', 'Allocate', and 'More'. The form is organized into several sections: 'Customer' (Nik Czuprinski), 'Billing Address' (3200 Eagle Park Dr NE, Suite 100, Grand Rapids, Michigan, 49525), 'Shipping Address' (3200 Eagle Park Dr NE, Suite 100, Grand Rapids, Michigan, 49525), 'Doc Date' (8/2/2016), 'Workflow Batch' (Sales Documents), 'Customer PO' (1568), 'Tax Code' (Michigan Sales Tax), 'Reference No' (784552), 'Salesperson' (No Salesperson), 'Price Level' (No Price Level), 'Location' (MAIN), 'Shipping Method' (No Shipping Method), 'Payment Terms' (Due on receipt), 'Req Ship Date' (8/9/2016), and 'Ship Date' (8/9/2016). The 'Req Ship Date' field is highlighted with a red rectangular box.
