Carrier EOD

Cavallo Support - 2024-12-03 - Miscellaneous

Overview

The Carrier EOD (End of Day) module displays a report of the shipments generated for a carrier for a given shipment date. This report can be modified in ShipCenter's Report Designer. A fully functional default report is included as a template.

Use

To generate a Carrier EOD report, click on the **Carrier EOD** module from the Application tab. In the Carrier EOD window, select the Carrier ID, Shipment Date, and Report ID.

 ${\sf Click}\ {\sf OK}\ {\sf to}\ {\sf display}\ {\sf the}\ {\sf report}.$ When populated with data, the default Carrier EOD report will resemble the following:

Carrier Report				
ID 8 Shipment Type Standard	Source Doc Num ORDST2225 Shipment Service FEDEX_GROUND		Customer Name Central Distributing Shipment Amount \$10.55	Created On 9/13/2018 8:20:25 PM Tracking Number 794624739819
