

Changing the Vendor for a Line Item

Megan De Freitas - 2024-11-22 - Purchasing

Overview

When purchasing items within SalesPad, an item will sometimes have a default Vendor ID attached to it. However, it is possible to change vendors for that item from the PO screen.

Instructions

Follow the instructions below on a sales document with backordered items:

1. Click the **Purchase** button at the top of the sales document
2. Select the line item to be purchased

Choose Purchase Plan Items

1. If other vendors are set up, you can click the dropdown arrow on the Vendor ID field, which will display a list of all vendors for the company. Select a vendor for the line item. This sets the Vendor ID on the header and the Vendor Item # on the line item
2. Click **Save** and the document will automatically generate a PO number
