

Cost of Goods Sold (COGS) Trend

Product Development - 2025-07-01 - Major Features

Description

The COGS Trend widget presents a bar chart displaying total COGS \$ over a designated period. The chart also includes comparing the cost of goods sold from a selected prior period for easy analysis of trends and patterns.

Chart

Open image-20240925-141017.png

**Left Header**

The total COGS \$ amount for the current period.

The percent change vs the comparison period.

Charted Elements

- Bars
 - COGS \$ for the Current Period
 - COGS \$ for the Prev/Prior Period
