Customizing Phone Labels

Megan De Freitas - 2024-11-22 - Setup

To customize a phone label in SalesPad,

1. Open the Settings Module (**Modules** > **Settings**). The applicable settings are under Customer Contact Options, but you can type "Label" into the filter to find them more quickly

2. In each of the three Phone Label fields, type the desired Label for each phone number

3. Click **Save**
