

Extended Pricing Customer Tab

Megan De Freitas - 2024-11-22 - Sales

Overview

Extended Pricing is a GP function that can be viewed in SalesPad through the Customer Card tab titled Extended Pricing. This card has a record of extended prices for the customer. In this document, you will learn how to find and read the Extended Pricing tab. Any relevant securities or settings will be addressed at the end of the document.

Extended Pricing

To see the Extended Pricing for a customer, open a Customer Card and navigate to the Extended Pricing tab. The tab will display the Extended Pricing list from GP.

The screenshot shows the SalesPad Customer Card for Aaron Fitz Electrical. The 'Extended Pricing' tab is selected, displaying a list of items with their descriptions, quantities, and prices. The list includes items like Desktop Fax System, 256 meg SDRAM, Data Card Assembly, 128 meg SDRAM, Receiver-Hands Free..., and Green Phone. The prices are listed in US dollars.

Item Number	Item Description	Item Group	From Qty	To Qty	UOM	Value	List Price	Adjusted Price	Currency	Start Date	End Date	FromBaseBook
