## Extended Pricing Customer Tab

Megan De Freitas - 2024-11-22 - Sales

## Overview

Extended Pricing is a GP function that can be viewed in SalesPad through the Customer Card tab titled Extended Pricing. This card has a record of extended prices for the customer. In this document, you will learn how to find and read the Extended Pricing tab. Any relevant securities or settings will be addressed at the end of the document.

## Extended Pricing

To see the Extended Pricing for a customer, open a Customer Card and navigate to the Extended Pricing tab. The tab will display the Extended Pricing list from GP.
