In-Transit Transfer Report

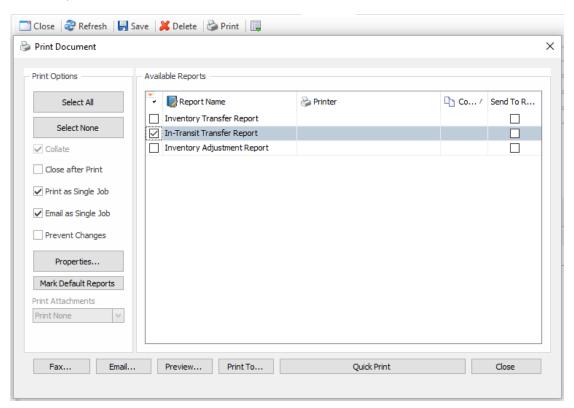

Cavallo Support - 2024-11-22 - Reporting

Overview

The *In-Transit Transfer Report* security setting allows users to see and use the In-Transit Transfer Report default report. This report can be copied and edited in Report Designer. See the Reports documentation for more information on this functionality and other default reports.

Usage

The In-Transit Transfer Report is used in the In-Transit Transfer Entry module in SalesPad Desktop. When you want to print a report for the transfer, you can press the **Print** button at the top of the screen. For more information, refer to our In-Transit Transfer documentation.
