Inventory Transfer Report

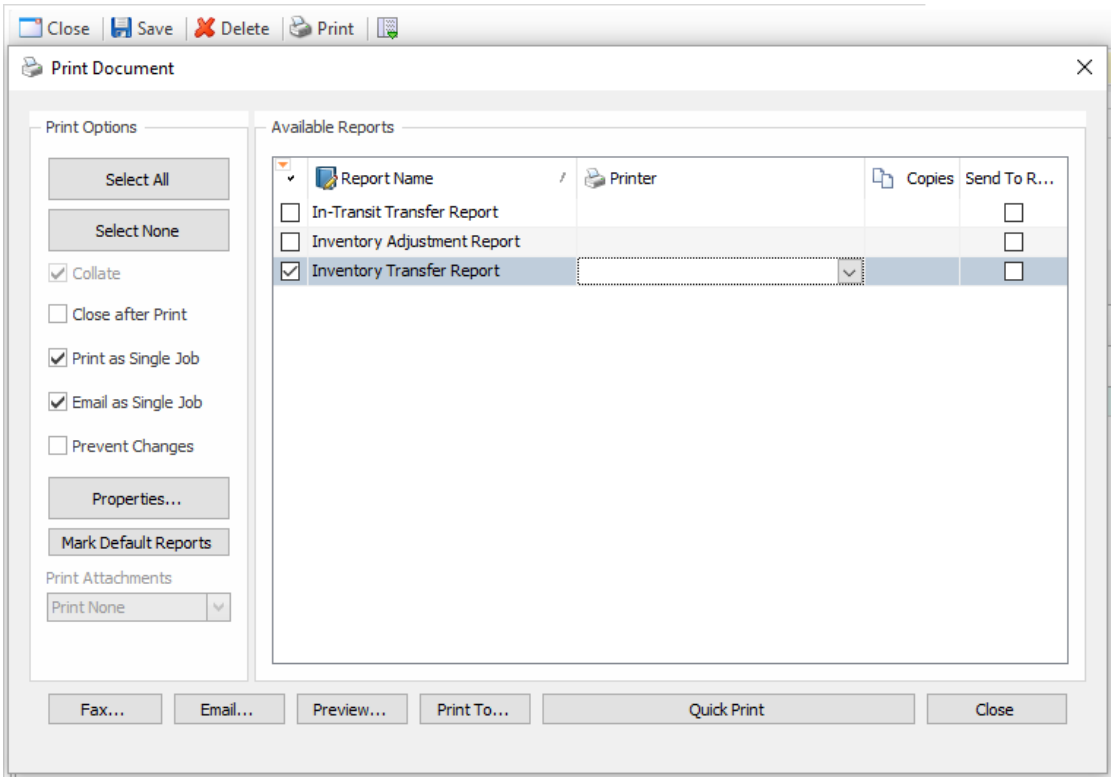

Cavallo Support - 2025-06-11 - Reporting

Overview

The *Inventory Transfer Report* security setting allows users to see and use the Inventory Transfer Report default report. This report can be copied and edited in Report Designer. See the Report Designer documentation for more information on this functionality and other default reports.

Inventory Transfer Report

The Inventory Transfer Report is used in the Inventory Adjustment module in SalesPad Desktop. When you want to print a report for the transfer, you can press the **Print** button at the top of the screen. For more information, refer to our Inventory Transfer documentation.
