Packing Slip

Cavallo Support - 2024-11-22 - Reporting

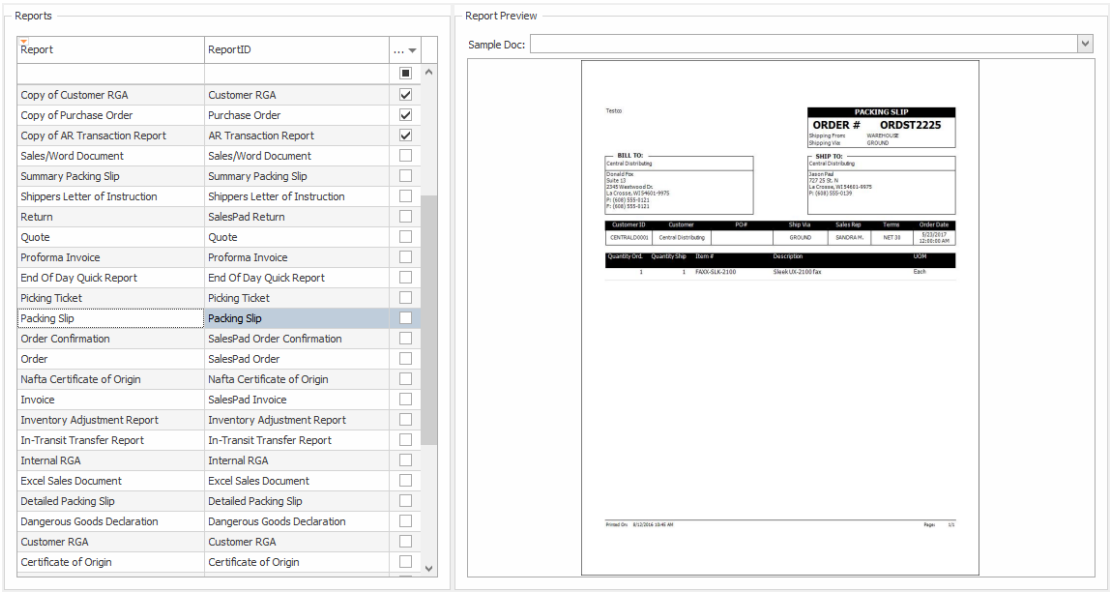

Overview

The *Packing Slip* security setting allows users to see the Packing Slip report in the report manager. This report can be copied and edited in report designer. See the Reports documentation for more information on this functionality and other default reports.

Packing Slip

Usage

The Packing Slip report allows you to print out a Packing Slip for an order. This is used as a checklist for what is inside of a package. Once you enable the *Packing Slip* security the report will be visible in Report Manager.

Security

Packing Slip – Allows users to see and use the default Packing Slip report.
