Packing Slip

Cavallo Support - 2024-11-22 - Reporting

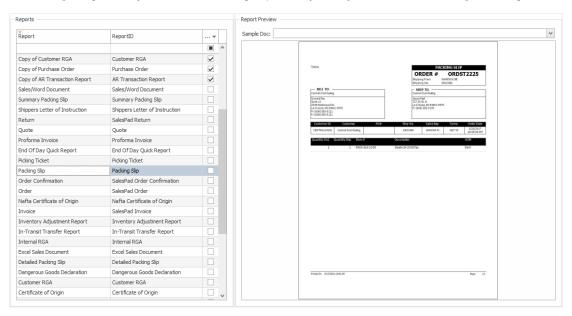

Overview

The $Packing\ Slip$ security setting allows users to see the Packing Slip report in the report manager. This report can be copied and edited in report designer. See the $\frac{Reports}{Reports}$ documentation for more information on this functionality and other default reports.

Packing Slip

Usage

The Packing Slip report allows you to print out a Packing Slip for an order. This is used as a checklist for what is inside of a package. Once you enable the *Packing Slip* security the report will be visible in Report Manager.
