Sales/COGS/Margin by Item

Product Development - 2025-07-01 - Major Features

Description

The Sales/Margin by Item widget visualizes the overall Sales $, Margin $, and Margin % for the top items after being sorted by either Sales $, COGS $, or Margin $ depending on whether you are viewing the widget in the Sales Module, COGS Module, or Margin Module, respectively.

The widget includes an “All Others” row at the bottom of the table, representing the cumulative metrics for all items not listed.
