SalesPad File Transfer Instructions

1. In your web browser, navigate to <http://ftp.cavallo.com>
2. Log in using the following information

3. You should now see a screen like the one below.

4. Click the **Add files** button to select a file for upload. Once you've chosen the file you want to upload, a form will appear in which you need to indicate who the files are coming from and who they're going to. Below is what the screen looks like. There is also a lightning bolt icon to the left that will allow you to use an **Advanced Uploader** if you wish.

5. In the **Email To:** field type the address of the person you're sending the file(s) to.

6. In the **Email From:** field type the address that the files are coming from.
7. Enter any additional notes and then click **Ok**.
8. Your screen should now look like the one below. Please repeat steps 4 - 7 for any additional files you wish to include.

9. Once you have all the files selected you want to upload click the **Start Uploading** button to begin the upload process. Any files that have finished uploading will have a **[Done]** message next to the item.
10. After all the files are uploaded you can logout by clicking the **Logout** button in the upper right-hand corner.
11. The recipient(s) of your file upload should now receive an e-mail that the file(s) are available for download.
