Shippers Letter of Instruction

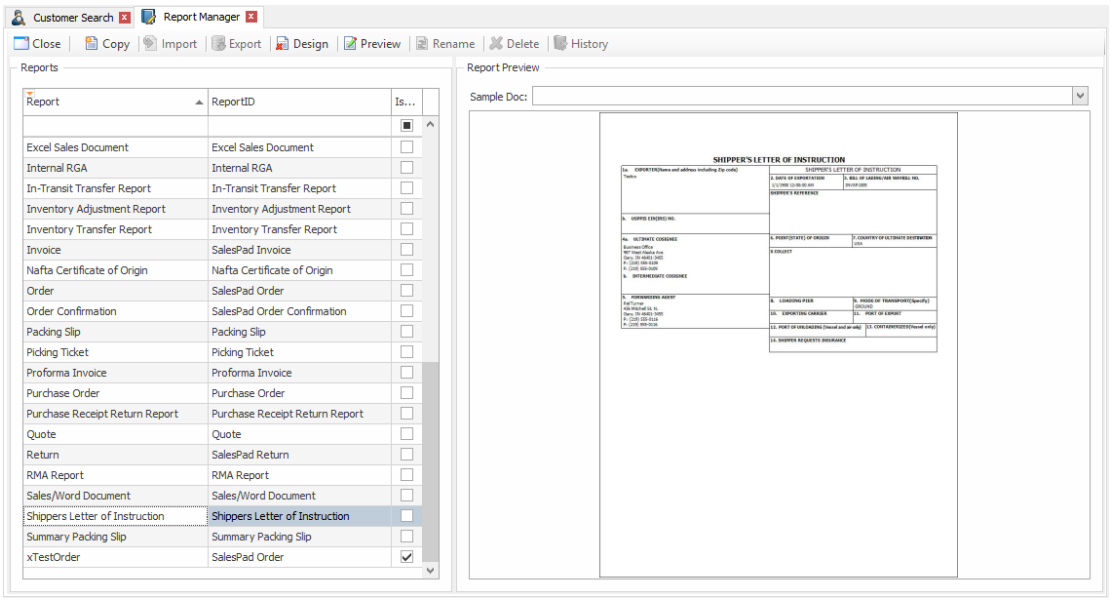

Cavallo Support - 2024-11-22 - Reporting

Overview

Shipper's Letter of Instruction is a SalesPad security that allows users to access the Shipper's Letter of Instruction default report. This report can be copied and edited in Report Designer. See the Reports documentation for more information on this functionality and other default reports.

Usage

The Shipper's Letter of Instruction is a shipping document that is used to notify shippers of any special instructions for the items being shipped. Once you enable the *Shipper's Letter of Instruction* security, the report will be visible in Report Manager.

Security

Shipper's Letter of Instruction – Allows users to see and use the Shipper's Letter of Instruction default report
