Summary Packing Slip

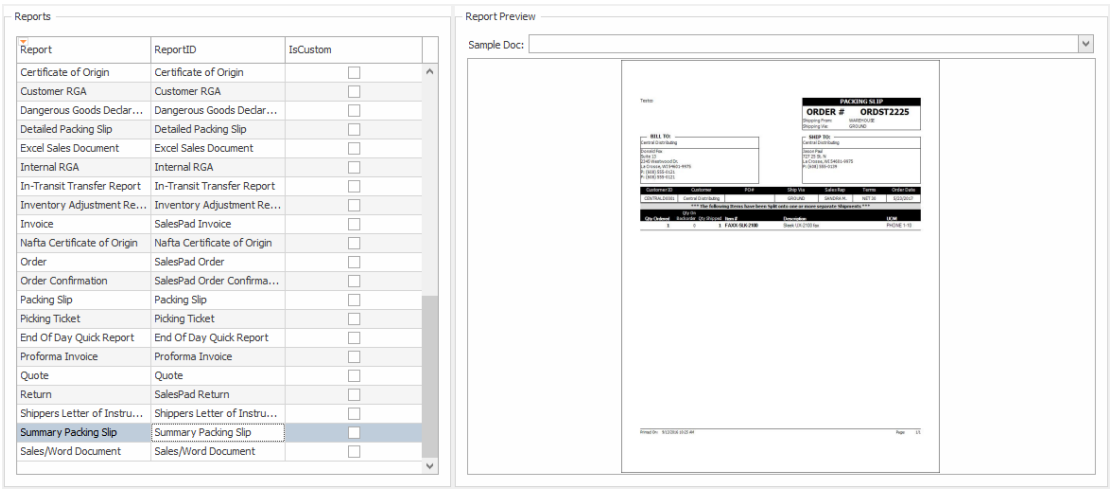

Cavallo Support - 2024-11-22 - Reporting

Overview

Summary Packing Slip is a SalesPad security that allows users to access the Summary Packing Slip default report. This report can be copied and edited in Report Designer. See the Reports documentation for more information on this functionality and other default reports.

Usage

The Summary Packing Slip is a document that can be used to give customers a summary of the items on a sales document, as well as any documents related to it. Once you enable the *Summary Packing Slip* security, the report will be visible in Report Manager.

Security

Summary Packing Slip – Allows users to see and use the Summary Packing Slip default report
