What features are unavailable in the Desktop Only version of SalesPad Mobile?

Megan De Freitas - 2024-11-22 - FAQ

The features listed below are not available in the "Desktop Only" version of SalesPad Mobile.

- Full Sales Monitor Functionality (Only filters documents by Doc ID instead of Workflow and Queue)
- Sales Document Forwarding
- User Defined Fields
- Customer YTD Tab (View Sales Totals and Summary on a year by year basis)
- Sales Document Audit Tab
